BANQUET AND MEETING FACILITIES

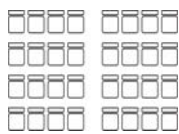

Century City International Convention Centre offers a wide variety of exclusive venues for meetings, conferences and private functions. There are 24 multi-purpose meeting rooms of varying sizes, each utilizing the latest presentation technology. This includes audiovisual systems, simultaneous interpretation equipment, portable staging, high-speed Internet access and LCD projectors. The Crystal ballroom, with its 2,800 square meters, is the largest pillar-less ballroom in western China. It can accommodate up to 2,800 people and also be divided into 6 convenient venues to suit various group needs. Rounding out our facility services is our dedicated banquet and technical support team. Each team member is expertly trained to provide a one-stop service, ensuring your event is a true success.

<i>Technical Assistance</i>	The Engineering Department is available 24-hours per day for general assistance with lighting, room temperature control and minor repairs.
<i>Music and Entertainment</i>	We are working with professional Décor, AV and Entertainment companies, so we can offer different themes, sounds and entertainment.
<i>Receiving</i>	We are happy to receive your shipments prior to an event and keep them secure in our storeroom.
<i>Post-Conference Shipping</i>	Shipping of post-conference materials may also be coordinated through our Event Services Team.
